## FUN AND FRAGILE DAY AT SCHOOL

It was a day full of enjoyment as it was a break from monotonous study schedule with a splash pool party. The school had arranged a special Splash Pool Party, in which the children of Nursery to class 5th turned up in colourful swimsuits. The tiny tots had great fun splashing in the water while others were getting little photos to dance in water. The school had also arranged special refreshment for the tiny tots after the splash pool. The children were made aware about the risks of swimming and the related physical development.

Hands on Experience with

Bookish Knowledge without Practical Knowledge is like Body without Soul! We at MMIS believe in Hands on experiment for which students prepare their own science projects every month!

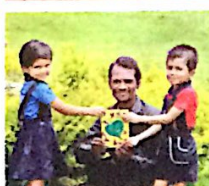

Happy World Population day

A BIG THANK YOU to our Community Helpers

The students of grades from Nursery till 2nd participated in the "Community Helpers". Each class was assigned to visit to a field trip where they gave "Thank you cards". They role-played the community helpers using their properties and tools. Then they took a group photo. We ended up our activity and day with giving Thank you cards to all the helpers and workman who help us in our daily work and Worksheets done by our youngsters, which the students enjoyed a lot. This activity enhanced the concept of the students in a fun creative way.

LEARNING ABOUT THE COMMUNITY HELPERS

Now, we know that "Community Helpers" give a valuable contribution to our society.
